

Fact Sheet

About NEMEP

Northeast Medical Equipment Providers Association (NEMEP) is a not-for-profit trade organization focusing on the HME provider in New York and New Jersey. NEMEP was formed in January of 2017 through a merger of state associations NYMEP (New York Medical Equipment Providers Association) and JAMES (Jersey Association of Medical Equipment Services).

Mission

Advance the success of the home medical equipment industry and its providers through education, advocacy and improved patient outcomes.

Why NEMEP

- Timely access to key information
- Exceptional education events and networking opportunities
- Customized benefit programs for insurance and merchant services
- Powerful and united voice at the local, state, and federal levels
- Partnerships with industry stakeholders to protect patient access and HME businesses

Member Benefits

Info & Communications

Member-exclusive communications on breaking news and updates, timely newsletters regarding industry news and education opportunities and association committee participation.

Education

Numerous education opportunities in multiple formats facilitated by NEMEP and its industry affiliates and partners.

Public Policy & Regulation

Regularly meets and works at state and federal levels to inform officials of issues impacting industry. Represents member interests such as policy clarifications to reimbursement changes.

Discounts

Reduced rates on high-quality programming, Workers' Compensation Safety Group, Credit Card Processing Services and access to the Association Legal Counsel.

Payer Advocacy

Strong committee efforts to connect with payers and state programs to protect patient access, encourage fair reimbursement and help insure proper patient care.
